

# OAK NATIONAL ACADEMY HOME LEARNING SUPPORT – Additional Support

You currently need to do your learning from home. There are a lot of learning resources per subject, but you may require some additional support. The tables below contain links to some supporting topics on the Oak National Academy website. [www.thenational.academy](http://www.thenational.academy)

- Look at the options and pick one which focuses on the skill you wish to strengthen.
- Click on the link and this will take you to the relevant topic.

Lessons usually include a video explaining the main ideas and then you need to follow instructions to complete some written work. Remember, if you need extra support you can... re-watch the video, email your teacher or the SENCo, check another source such as BBC bitesize, message a friend.

<b>There are other options available, so you are welcome to browse. We recommend doing the 'Building Understanding' lessons before the 'Applying Understanding'.</b>						

If the link does not work, you can also explore the Oak National Academy website by following these instructions:

- Go to [www.thenational.academy](http://www.thenational.academy)
- Click on 'Lessons'
- Click on 'Specialist' from the top bar
- Find the area you are looking for. (This is indicated in the option box)
- Find the topic you are doing at the moment
- Watch the video and read the resources to help you understand the topic you are doing
