4 June 2020

Dear Parents and Carers

We are writing to let you know about the upcoming Sixth Form Transition Days. These will take place on Thursday 2nd and Friday 3rd July 2020. Under the current circumstances all transition lessons will take place on-line.

The purpose of this event is to help your child begin the process of transition to sixth form study. This event will provide your child with more information about the courses they are interested in, and an introduction to some of the topics they will study.

Your child will be contacted on their school email by Mrs McNish, asking them to complete a short booking form on the subjects they would like to experience on Transition Day. They need to choose between three and five subjects to attend over the course of the two days. Please encourage your child to complete this form by **Friday 12th June**.

Following this process, your child will then be issued with a personalised timetable for the event, outlining their 'lesson times' and the member of staff who will be teaching them. Lessons will take place on TEAMS, which your child can access through their Montsaye Office 365 account.

We are really looking forward to your child joining us in September.

Kind regards

Kerrie Jones

Head of Sixth Form
