

Dear Parents/Carers

**Year 10 Curriculum and Information Evening - Monday 16<sup>th</sup> September 2019**

The Year 10 Curriculum and Information Evening is being held on Monday 16<sup>th</sup> September from 5.00pm until 6.30pm. Please arrive by 6.00pm to ensure you have sufficient time to see the relevant teachers. This evening is an invaluable opportunity for you to find out more about your child's GCSE journey, receive information of how you can support your child at home, as well as the opportunity to speak to Head of Departments regarding the course and revision materials.

On arrival at the Curriculum and Information Evening, please register by the main hall and then move either into the main hall to speak to departmental representatives, or to the LRC (Library) for an information talk. The information talk will take place twice during the evening, once at 5.00pm and once at 6.00pm. This will provide key information regarding the GCSE journey, as well as advice and support for how you can support your child to be successful. Core subject representatives, English, Maths and Science, will also provide a brief presentation regarding their subject.

If you have any questions please contact your child's form tutor in the first instance or contact main reception.

We look forward to seeing you soon.

Yours faithfully

Miss H Pickering  
Year 10 Progress Leader
