

14th September 2018

Dear Parents/Carers

I will be holding a parents' evening on Monday 24th September at 18:00 in the Main Hall in order to give final details for the visit to France. It is important that at least one parent/carer attends as well as the student who will be taking part.

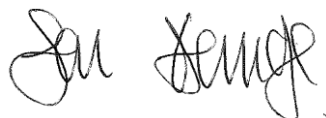

In a previous letter I mentioned that all children will be required to have a European Health Insurance Card (EHIC). I will give further details about the collection of these at the parents' meeting, however, I would suggest that all parents/carers apply for the EHIC as soon as possible. The EHIC is available online, by telephone or by post. Details on how to apply are on the NHS website. The cards are free but a number websites exist that "trick" you into paying and just fill out your details on the NHS website on your behalf. It can take up to twenty one days for the application to be processed so please apply early. A child **will not** be able to travel if we do not have their card prior to departure.

This must be returned to student reception by Friday 5th October.

Please find attached to this letter a medical form to be returned to student reception by Friday 5th October.

I look forward to meeting you on the evening.

Yours sincerely

Jon Berridge
Assistant Vice Principal
