

Monday 8 June 2020

Dear parents and carers

As you will have seen from the previous letter from Mrs Gabbi, following government guidance released on Monday 25th May "secondary schools, sixth forms and colleges, will provide face to face contact for...year 12 students to help them prepare for exams next year." In response to this guidance, our first steps for our year 12 students will be to invite them to attend a mentoring session during the week commencing 15th June. This session will be with either Mrs Jones or Mrs McNish. This session will enable the student to:

- Have an opportunity to discuss their experiences and well-being
- Review successes and identify areas of concern
- Be offered support academically
- Be provided with takeaway resources to support with specific subjects
- Discuss future plans, including the UCAS application process and/or apprenticeship support

Your child will be contacted by email with a specific date and time for their mentoring session. Mentoring will take place in the Sixth Form Centre. In order to adhere to social distancing guidance, we kindly ask that students arrive no earlier than 5 minutes prior to their mentoring session, and leave the site immediately afterwards.

These mentoring sessions will be used as a baseline for further intervention and allow us to look at ways to introduce more subject specific support and as and when the government releases any new information and guidance.

We look forward to seeing your child next week,

Kind regards

Kerrie Jones  
Head of Sixth Form
