History Homework Tasks Term 4

Homework 1 – Horrid Henry Fact File

In this term we shall be looking into the life and reign of Henry VIII. For your first homework task this term you are going to create a fact file about England's most famous Tudor! Answer the following questions below to introduce yourself to this legend of a king:

- When did Henry VIII become King of England?
- Name three hobbies Henry VIII had when he was king?
- How many wives did Henry VIII have? Can you name them and write down their fate!
- Where did Henry VIII live?
- What did Henry create in 1534 that still around today?
- How many children did Henry VIII have? What was he so desperate to have?
- True or False? Henry could speak three languages?
- What food did Henry VIII refuse to eat because he thought it was peasant food?

Homework 2 – Could you Survive Tudor life?

Take a different look into Tudor history and research what life was like for ordinary people living in Tudor times. Create a poster that details some interesting facts about life in the Tudor times for ordinary people. To help you create an awesome history poster, answer these questions below:

- What did Tudors do for fun?
- What did Tudors eat?
- What things did the Tudors invent?
- What did Tudors believe causes people to become sick?
- What did the Tudors learn at school? Was it different to what you learn today?
- What gruesome punishment did Tudors get if they broke the law?

Prepare to share some interesting facts you have learnt about the Tudors with your class next week!

Homework 3 – The Tudor Family

After half term we shall be exploring the other famous Tudors who also ruled England. We shall be looking into the reigns of Henry's three children who all ruled England. In preparation for next term create a fact file about each of Henry's children:

- Edward VI
- Mary I
- Elizabeth I

For each monarch, find out how long they ruled England for, what was famous about their reign and decide whether each one of Henry's children were good kings or queens of England.
