

HOME LEARNING SUPPORT

You currently need to do your learning from home. There are a range of resources ready for you to use on the topics you have been studying in your English lessons. The tables below contain links to the relevant topics on the Oak National Academy website. www.thenational.academy

Where Oak National lessons are not available, other resources have been sourced for you to use. Please then contact your teacher for the relevant resources via email and they will send them to you or update your Teams page with the resources you need.

- Focus on the booklet contained in the Additional work section and use the other lessons around it where appropriate
- Work out which term we are in by checking the date.
- Click on the link and this will take you to the relevant topic.
- Click the links to be taken to the SharePoint for any worksheets if required.
- A copy of the text can be found online here: <https://blindhypnosis.com/the-ruby-in-the-smoke-pdf-philip-pullman.html>

Lessons usually include a video explaining the main ideas and then you need to follow instructions to complete some written work.

Remember, if you need extra support you can... rewatch the video, email your teacher, check another source such as BBC Bitesize, message a friend.
